This book comes without CD. And its useless without CD. Because you need CD to the listen parts. Dont waist your time and money!!!

This product originally does not say if it is old or not but it is actually old. I was originally wanting a new one because I needed the online password. So now i have to buy a separate online password.

If you need it to be new, buy one that says new.

i bought the new one and there is no access code with it, i need the access code, or i will return the the books

I bought three books from seller but those books without code and i aske him to return itHowever, he return the mony just for two books even though i bought three ?!!!!!!

This book is easy to use because you will learn a lot with it. It is clear and direct and I have used it in three levels of English. I would recommend this item to anyone.
