Customer Reviews

Being a longtime Woodiwiss fan, I was intrigued when I saw this title. Being a Kindle subscriber I decided to check it out. I was pleased to discover titles of which I was unaware and will now add to my reading list. I particularly appreciate the Bonus Listing of the best all-time romance titles. So why only a 4 star rating?â | because any listing of the top 100 best romance novels that doesn't include

FOREVER AMBER or TESS DURBERVILLE is, in MHO, seriously flawed. I understand the author acknowledged the list was subjective, but seriously? Forever Amber ranks up there with anything Ms. Woodiwiss ever wrote and Tess is a true literary classic. I could do with a few less contemporary titles/authors and a more comprehensive view of "all-time".

Excellent guide to read books in logical order.

this author has always written very wonderful books that I have enjoyed for years.

Great tool for better enjoyment of the author's works and series.
